Most Successful Exhibitor

## ***A message from the Chairman of the Committee***

Welcome to this the 26th Australian Inland Wine Show.

Once again we have been very well supported by sponsors and we are extremely grateful for their support.

The committee have undertaken their tasks with a great deal of professionalism and enthusiasm. I would like to thank the wineries for entering their wines in our show. Our number of entries were down, but the quality of wines entered was again high. A number of wines that did not conform to our entry criteria were disqualified, this ensures that only wines that have correctly entered receive the appropriate recognition.

David Morris was our Chief Judge this year and he along with the other judges and associates were a great team and we thank them for donating their time and expertise.

This was our first year for over 10 years that Chris Killeen was not a part of our judging panel, we all wish Chris a full recovery from his illness.

I would like to close by thanking all the committee on a great job and also the many others that assisted with the judging and other tasks throughout the year.

Colin Free  
Chairman

## ***Chairman of Judges Report***

Another successful Inland Wine show judging process has been completed. As this was my first year as chairman of judges, taking over from Chris Killeen, whom I would like to thank along with Colin Free for putting such a good judging team together.

The strength of the white classes were the Chardonnay section, where 3 Golds were given and the Sweet White exceeding 3.0° baumé where 5 Golds were awarded. As in previous shows the Shiraz and Durif classes were the strength of the Red section and show their suitability for viticulture in the areas covered by the show.

As always the fortified classes were very strong with a high percentage of medals awarded. The surprise was the strength of the Sherry class with 2 Golds, being for different styles, one for an aged mature style and one lovely fresh delicate Fino style. Well done!

I would like to congratulate all award winners and encourage those not so lucky to continue to strive for the required freshness and fruit to achieve medal status.

Finally, I would like to thank the judges for their valuable time and assistance as well as the Wine Show Committee and stewards for their diligent work in running another successful Wine Show.

David Morris  
Chief Judge

## ***Judges***

## ***Students***

### **Michael Colagrossi and Tim Bartsch**

University of Adelaide, S.A.

## ***How the wines were judged***

### ***Where the wines in the show come from***

The Australian Inland Wine Show focuses on wines predominately made from grapes grown in the largest grape growing areas in Australia.

All the wines that you will taste at the Australian Inland Wine Show contain at least 85% of grapes sourced from any of the following areas: the Victorian and New South Wales sides of the Murray River from Kangaroo Lake, Swan Hill, Wemen, Robinvale/Euston, Sunraysia and the South Australian Riverland from Renmark to Waikerie; the lower Darling River from Wentworth to Menindee; and the MIA, based around Darlington Point, Griffith and Leeton.

Section 7, the large volume class, consists of entries that contain at least 60% of grapes sourced from the areas above.

### ***The class system***

Entries are placed in one of nine sections, based on vintage (year of production), volume produced or wine style. Each section is further divided into classes, each of which has a common variety or blend of varieties or common wine style.

### ***How the wines are judged***

The results that you see in this catalogue are very fresh; judging occurred just three weeks ago.

There were two separate panels of judges, each consisting of three judges and three associate judges. The judges have full "voting rights"; the associate judges score each wine but their scores are not included in the point scores that you see in this catalogue. The judges and associate judges individually assess each wine in the class. Once a class of wines has been assessed, the judges and associate judges sit down and discuss their opinions and scores on each wine.

The Chairman of the Panel of Judges (David Morris) ensures that the judging process flows smoothly. He adjudicates in cases of split decisions, where judges on the same panel may have slight differences of opinion in the way they allocate points for a particular wine. This is particularly important where gold or silver medals are awarded.

### ***Awarding points to each wine***

Every wine entered into the show is awarded points. The three full judges in each panel score each wine out of 20. Typically, they score out of 3 for colour, out of 7 for bouquet and out of 10 for palate. In scoring each wine, the judges also consider how well the wine fits into its class.

Once a class has been judged, the scores of the three full judges in each panel are added up. The points that you see in the catalogue are therefore wine scores out of 60.

Gold medal wines score 55.5 points or more.

Silver medals are awarded to wines that score 51.0 to 55.0 points.

Bronze medals are awarded to wines that score 46.5 to 50.5 points.

Very Highly Commended wines score 55.5 points or more but are unavailable commercially.

Highly Commended are wines that score between 51.0 to 55.0 points but are not commercially available.

Commended are wines that score between 46.5 to 50.5 points but are not commercially available.

### ***Abbreviations used in this catalogue are as follows:***

G - Gold | S - Silver | B - Bronze

VHC - Very Highly Commended | HC - Highly Commended | C - Commended
